

Information Sessions for 2010-2011 Enrollment

We are looking forward to meeting families who are considering our school for their children. This year we will be holding five information sessions for prospective parents. Please join us on the following dates to find out more about the TCGIS immersion program.

Each session runs about 1.5 to 2 hours and includes a brief tour, a PowerPoint presentation about the school and our unique curriculum, and a question and answer session. When contacting the school to sign up for an info session, please state the preferred date, your name, phone number and the age of your child. You can reach us at:
