

**Conventions used in Printing:**

**Parent's last names:** If the parent's/guardian's last name is the same as the child's, then no last name is printed with the parent's name. A last name is printed with the parent's name only when that parent has a different last name than the child.

**Telephone numbers:** The first number is the main telephone number. The second number(s) are the alternative. Known cell phones are marked.

**Multiple Child Families:** The children are listed in birth order, oldest to youngest, and the grades are listed in the same order as the names.

**Alphabetical Listing by Family**
