

Enrollment for 2010-2011 School Year

When we receive this form, your child's name will be placed on a list for enrollment at Twin Cities German Immersion School. If the number of students for any particular class exceeds the number of places available, a lottery will be held in early March. All students enrolling after February 15th will be accepted on a space available basis. Submitting an enrollment form does not guarantee your child a place in TCGIS prior to February 15th and does not jeopardize your enrollment in any other public or private school.

Child's Name	Birthday	Sex	Grade (circle one)
_____	/ /	F / M	K-Plus 1 2 3 4 5 6
_____	/ /	F / M	K-Plus 1 2 3 4 5 6
_____	/ /	F / M	K-Plus 1 2 3 4 5 6

TCGIS K-Plus Kindergarten

K-Plus consists of a required morning kindergarten emphasizing academic fundamentals that form the foundation for the TCGIS elementary curriculum and a language warm-up. The afternoon enrichment activities deepen language development by reinforcing the morning's lessons and through ongoing social activities in German. TCGIS elementary teachers strongly recommend that children experience full-day language immersion at the kindergarten level. The required morning portion of TCGIS K-Plus is free of charge. The extended day afternoon session is available to all enrolled children for an additional fee. For the 2010-2011 school year we project the cost for the K-Plus extended day will be approximately \$15 per school day (\$300/month). Parents who are enrolled in a state, federal or work program that pays for child care expenses are encouraged to investigate whether the K-Plus program meets the provider's qualifying guidelines. Participation in the afternoon portion of our Kindergarten program is optional, families may opt out of the afternoon extended day. While we anticipate that most families will choose K-Plus, it is important to note that the number of families deciding to opt-out will affect full-day availability.

I/we prefer to opt-out of the afternoon extended day K-Plus option: (check if "yes")
