If your child chooses to make valentines for classmates, please make sure that he or she makes one for each student in the class. Class lists are in the student directory or you may request a copy at the front desk.
- **No School Days:**  
**FRIDAY, Feb. 12 – NO SCHOOL – Staff Development Day**  
The state requires specific non-instructional days devoted to teacher training on specific topics  
**MONDAY, Feb. 15 – NO SCHOOL – President's Day**
- **Handicapped Parking**  
There is an ongoing concern that the handicapped parking spots near the handicapped ramp are either taken or blocked during afternoon pick-up. There is a family from Avalon that routinely needs and uses these spots at this time. Please do not wait in the parking line directly in front of these spots. If you are going to leave your car make sure it is properly parked. If you are standing in line, make sure that you have pulled past the handicapped spots. Thank you. This has been an ongoing source of tension. Thanks for as a community helping to monitor that this space is left free.
- **THANK YOU**  
The Facility Committee would like to thank parent volunteers Peter Zimmermann and Florian Kompel for taking down the free standing sign that was in the middle of our play area, making it safer for all. We appreciate it very much.

**The school is still in need of white multipurpose copy paper. Please consider donating this item.**
